HAS NOT CC-HEADER BECOME LIKE A MOUNTAIN?

If Mailing List service is used, the same mail can be simultaneously distributed towards the member registered into Mailing List. For example, mail can be distributed to all members registered only by sending mail to the mail address decided by Mailing List into which each member is registered to distribute mail to all the members of the case where he wants to distribute mail of an announcement to all employees, or a operating team. (It is also possible to employ simultaneously two or more Mailing List, such as business purposes and an object for development.)

THE LIBRARY OF A SENT HISTORY REQUIRED?

The Mailing List Archive service for library-izing mail distributed by Mailing List is also prepared. Please be related in detail and look at the "Mailing List Archive Service" page.

NOTE... **1.** Expense required for initial setting, such as registration expense of the distribution place member of Mailing List and setting expense of Mailing List, is contained in initial introduction expense. (Required information, such as a distribution place member list, is asking you for offer from the visitor separately.) **2.** A visitor can change freely registration and deletion of a distribution place member from "Mailing List member addition / deletion" page. **3.** About the contribution of the mail with which the file to Mailing List is appended, permission and the disapproval of this can be set up by specification of a visitor. **4.** When the number of members registered as a distribution place of Mailing List exceeds 3,000 affairs, please consult separately.
